

Welcome to Entrust 2021

We're so glad that you're joining us today whether it's at home or at one of our many hubs around Melbourne. Thank you for taking the time out today to listen and learn as God's Word is taught by Heather and Belinda. We pray that God's Spirit will be working in you to be open to what God has to say to you today and how he wants to work in your life.

Over the next three years we will be studying Jesus' I AM statements in the gospel of John. This year Belinda will be teaching us more of what Jesus means when he says I AM the bread of life. And Heather will be sharing with us what he means when he says I AM the light of the world.

We pray that you might come to know or continue to know the fullness of Christ and be satisfied in him. As Jesus declared, "I am the bread of life. Whoever comes to me will never go hungry, and whoever believes in me will never be thirsty." John 6:35

If you're able to, we'd love to share how we're participating together using the hashtag **#entrustwomen2021** What's your streaming set up like at home? Or what's the best thing about learning with other women at your hub? We'd love to have a sense of our togetherness even though we're spread all over Melbourne, Victoria and even further afield.

May God bless you as you join with us today,

Louisa Pfitzner

Our Speakers

Belinda Grant was first struck by the gospel as a kid, when her Dad sang her to sleep with hymns. She has had the privilege of sharing that Gospel in Children's and University ministry, and now to her four young kids.

She loves serving at her church, Grace Christian Community, along-side her Pastor husband Tim, and spends most of her (fairly limited) free-time writing Fantasy Fiction. Laundry is the bane of her existence.

She has a particular passion for seeing women engaging deeply with God's Word, and is so excited to see lives changed through the powerful truths of John 6.

Heather Reid is a mum of 2, grandmother of 6, and former physio. Her long-term passion has been helping women grow in Christ through both church and student ministry around Australia. After a varied career as Physio, Mum, Healthcare Educator and AFES Staffworker, she is currently completing doctoral studies while lecturing part-time alongside her husband, Andrew, at Evangelical Theological College of Asia (ETCAsia). This college is located in Singapore, where they share their apartment with a terrapin called JoJo.

She and Andrew will return to Melbourne in early July, after which Heather will take a part-time ministry role while she focuses on completing her thesis.

Reflection questions

I AM the Bread of Life

- What are the things that distract you from focusing on or "feeding" on Jesus?

- What are some practical things you can put in place in your life and habits to help you reflect on what a wonderful gift Jesus is?

I AM the Light of the World

- Where is your identity located? Where do you go to find fulfillment and life?
- What do the answers to these questions reveal about areas of your life where you demonstrate 'blindness' to Jesus Christ as the sole source of light and life?
- Read 1 John 1:5-10 and spend some time confessing these 'blind spots' to God and asking him to renew you and give you a Christ-centred focus
